

Providing Solutions to Help Owner Operators

Key Benefits of Being an Owner-Operator:

- Independence and Control:
- Owner-operators have significant control over their work, including choosing routes, schedules, and the types of loads they haul, allowing for a tailored work-life balance and greater job satisfaction.

Who We Are

DTL Transport LLC is a premier trucking company committed to delivering top-tier logistics and transportation services. With a strong emphasis on safety and customer satisfaction, we ensure timely and professional deliveries for our clients. Our experienced team of drivers and staff work tirelessly to provide customized solutions for all transportation needs.

Why Choose Us

Leasing On

We offer a competitive leasing rate for our company, which conveniently encompasses insurance, dispatching services, ELD software, and factoring. Additionally, we provide weekly payments every Tuesday through Direct Deposit.

Fuel Cards

We offer the option to utilize our fuel cards to mitigate the upfront costs associated with diesel. The total amount will be deducted from your weekly settlement, allowing you to avoid any out-of-pocket expenses initially.

Teaching

Launching a trucking company requires a considerable financial investment, particularly due to the upfront costs of commercial insurance. We recognize these hurdles, which is why we are here to support you in growing your business and creating opportunities for others. Together, we can help aspiring entrepreneurs establish their own thriving trucking companies while making a profit. Let's collaborate to bring your vision to life!

Our Services

Dispatching

- Collaborate with one of our dispatchers.

Discounts on PM (Preventive Maintenance)

- We will refer you to our preferred local mechanics.

Business Set-up

- As you progress within our organization and express a desire to assume greater authority, we will arrange a meeting with one of the owners. During this session, we will assist you in transitioning into the business aspect of our operations.
